#### **Mentor Public Library Book Discussion Kits**

We know how difficult it is to choose a book for your next book group meeting, and to find enough copies for all the members of your group. We've made it easier for you. The Mentor Public Library maintains Book Discussion Kits that have everything you need to have a successful group reading experience. Each kit contains copies of the listed book, a manual containing discussion questions, reviews, articles about the book, and information about the author. Each kit can be checked out for 6 weeks.

So whether your group is interested in fiction or non-fiction, romance or mystery, the Mentor Public Library currently has over 50 titles to choose from.

#### **HOW CAN YOU GET THE KITS?**

Reserve your title online at [www.mentorpl.org](http://www.mentorpl.org), or visit the Mentor Public Library, and we will help you check out the kits. The kits will be checked out on the library card of the person picking them up. The person checking out the kit is responsible for the contents of the book discussion kit. Each kit may be checked out for six weeks, but no renewals are allowed due to high demand.

#### **WHAT IF A BOOK IS LOST?**

If your group happens to lose a book, we ask that you pay the replacement cost of the lost item.
