

Sublimation Printer @ The HUB

Print full-color designs that can be heat-pressed onto shirts, ornaments, and keychains!

Equipment used: Epson EcoTank 4850

Software used: Google Docs

Getting Started

Save the image you would like to print to a flash drive or attach it to an email to yourself so that it can be accessed at the Makerspace.

- **File format:** Basic image files (.JPG, .BMP, .GIF, .PNG, etc.) are preferred

All print jobs must be approved by Library staff and cannot violate copyrights. Images that are commercially available will not be accepted for print at The HUB.

- **Dimensions**

- T-Shirts and other fabric Items
 - Designs must fit on our 8.4" x 11" sublimation paper
 - For specialty cutting with our Cricut Maker, the max is 6.75" x 9.25"
- Ornaments
 - Images will be cropped to a 3" x 3" square to fit on the 2-1/2" round ornaments. Each side can be sublimated.
- Keychains
 - Images will be cropped to a 2" x 2" square to fit on the 1-7/8" round keychains. Each side can be sublimated.

Sublimated 2-1/2" Ornament
