

Downloading eBooks onto your Kindle (Libby)

Get a Book:

- Go to www.mentorpl.org.
- Click on the **EBOOKS** link at the top of the screen.
- Browse or search our collection for the title you want.
 - Search by book title or author by clicking on the Search button (🔍) and then typing in the bar that appears.
 - Browse by category by clicking on either **Subjects** or **Collections** and then picking the desired format and category.
 - You can narrow the search by choosing "Available Now" from the Availability filter.
- When you find a book you're interested in:
 - Click the Options button (⋮) for more details, to read a sample, or get other reading recommendations.
 - If the item says *Available* at the top, click **Borrow** to get the item.
 - If it says *Wait List* at the top of the book, it means it is currently checked out another patron. Select **Place a Hold** to get on the waiting list. You will be will emailed when the title becomes available.
- Sign in.
 - Pick *Clevnet* as your library.
 - Enter your library card number (All 14 digits, no spaces.)
 - Enter your PIN. Click **Sign In**.
- Click **Borrow** to get the book.
- You may need to go to the Loans (📖) page.
- Choose a format. Pick **Read Now with Kindle**.
- Your screen will change and you will automatically be taken to Amazon.com to complete the transaction.

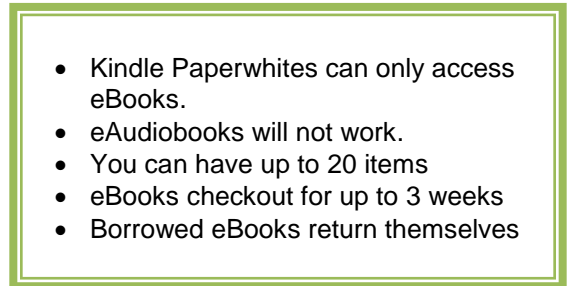

Transfer Books to your Kindle:

10. Libby will transfer you to Amazon.com.
11. If you are not already logged in, you will be prompted to enter your Amazon ID and password.
12. Click **Get Library Book** on the right side of the page.
13. Sync your device to download the book over a wireless connection.

Return Library Books Early:

1. Go to Amazon.com.
2. Log in to your account.
3. Go to **Content and Devices**.
4. Find the book and click the actions button to the right.
5. Click **Return Item Early**.
6. The book will be returned.

Manage your Kindle eBooks & Other Content

1. Log into Amazon.com
2. Access your account by clicking on the **Account & Lists** option under your name.
3. Pick **Content Library** from the menu that opens.
4. Click on **Books**.
