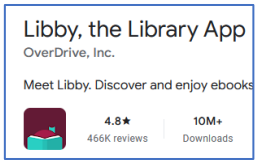
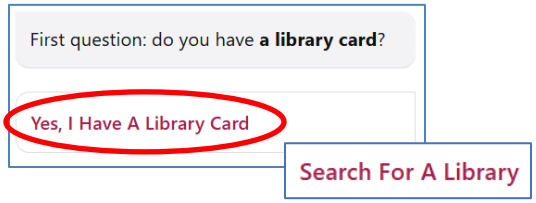
Downloading eBooks on Tablets & Smartphones
(Libby - Overdrive)

Get The Libby App:

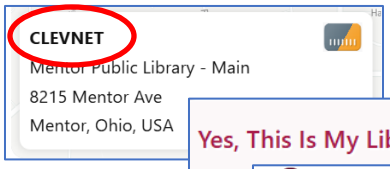
1. Search for **Libby** in your app market.
2. Select **Libby** (by OverDrive).
3. Touch the **Free/Install/Get** button.
4. Open **Libby**.

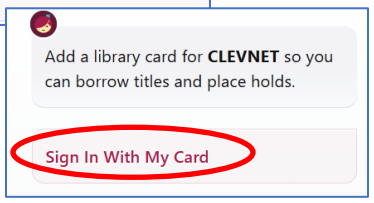




Add a Library and Library Card to the Libby App:

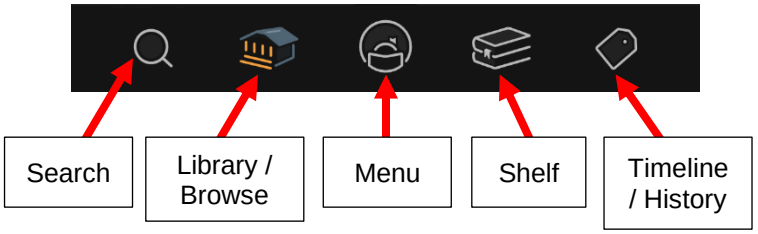
1. Do you have a Library Card? Tap **Yes**.
2. Select **Search for A Library**.
3. Enter "Clevnet" into the box.
4. Tap the Clevnet box that appears below the input box. (It does not matter which Clevnet branch is displayed.)
5. Tap **Yes, This is My Library**.
6. Tap **Sign in With My Card**.
7. Add your library card number and PIN. Click **Sign In**.
8. Your card will be added.

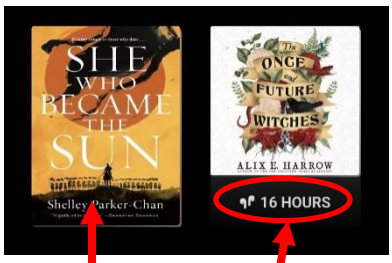


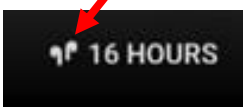


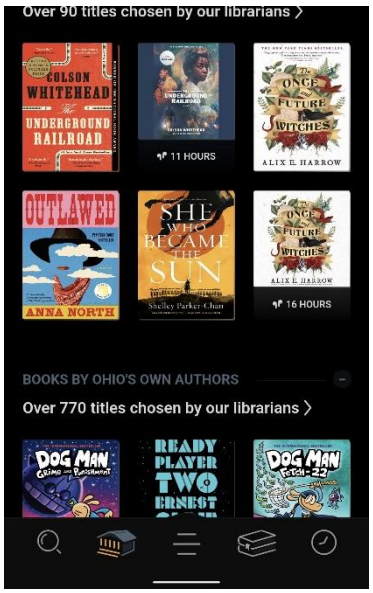
Get a Book:

1. Open the **Libby** app.
2. Tap **Library/Browse** at the bottom of the screen to see the collection.
3. Browse or search the Clevnet collection for the title you want.
   a. Libby has different formats: eBooks, audiobooks, magazines, etc.
   b. Search by book title or author by clicking on the Search button (🔍) and then typing in the bar that appears.
   c. Browse through the books featured on Libby's main page.
   d. To browse by category, tap on the desired genre. Pick the desired format and category.
   e. You can narrow the search by tapping **Refine** and choosing options you prefer

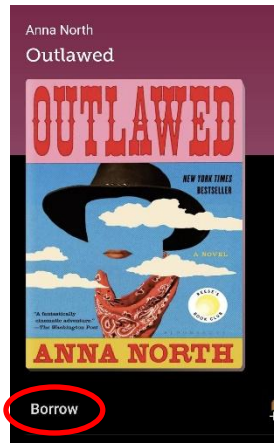




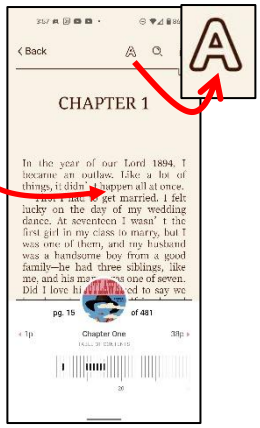


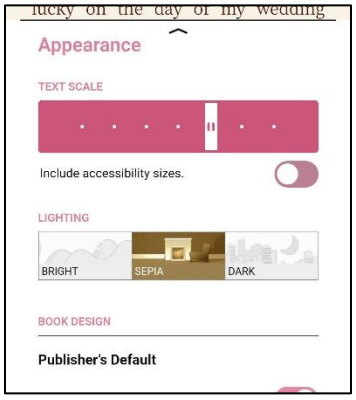


4. When you find a book you're interested in:
    - If the item is Available, tap **Borrow**. The item's page will open. Tap **Borrow** to get the item.
    - If the item is checked out to someone else, select **Place a Hold** to get on the waiting list. You will be will notified/emailed when the title becomes available.
5. Tap **Library/Browse** to continue browsing the library's materials.



6. Tap **Shelf** to see and/or read your checked out items.
    a. Tap on the book to read your item.
    b. The book will open to your current place in the book.
7. Once the book is opened, you can change the font, size, etc.
    a. Tap in the center of the page.
    b. Tap the Font (A) button.
    c. Make any desired changes.





- You can have up to 20 items out
- eBooks & eAudiobooks checkout for up to 3 weeks
- Borrowed items return themselves.
- A "**Renew Loan**" button can be found in the book details on the Shelf screen. It will appear a few days before an item expires. Tap **Renew Loan**.

Return Library Books Early:

1. Open the **Libby App**.
2. Go to your **Shelf**.
3. Tap on **Manage Loan** the item to be returned.
4. Tap **Return Early**
5. Tap **Return!**
6. The items will be returned.
